

“NEWS FLASH”

Infinite Staff

Resources, Inc. is presently making preparations to expand its offices due to the increasing demand for our business within the Caribbean.

Listed below are some of the major projects that ISRI is currently in the process of launching:

- ∞ We are supplying 500 medical personnel to Ministry of Health in the Republic of Trinidad and Tobago within 3 years.
- ∞ We are also supplying manpower for construction and maintenance work in building 1000 housing units in the Republic of Trinidad and Tobago.
- ∞ Our IT professionals will also be developing a system of Billing and Collection Application to handle fees for both Utility companies and Banks within the Turks and Caicos Islands.

Dan Datan, President & CEO, Hon. John Rahael, Ministry of Health, Agnes Datan, Chief Operations Officer, Hon. Ashford Sankar, Deputy Permanent Secretary. (from left to right)

Cont'n...

∞ The Turks and Caicos Islands are requesting construction and maintenance workers in preparation for the construction of a 120 million Dollar Resort.

Daily, our client base are increasing significantly, due to the quality of work that our Staff profers, with this; strong and long ranged business relationships

Reynold Cooper, Ag. Permanent Secretary, Dan Datan, President & CEO, Hon. Ashford Sankar, Deputy Permanent Secretary. (from left to right)
